

FLEXIBLE SPACE TO ROAM

Our new front Flex Space creates a new activity area: a work/play table that adjusts to be a standing desk, a counter extension, or a bedside table. With a few quick moves, the indoor or outdoor restroom is set up for you and your travel companions with a more realistic usable area. All of this fits in the same original footprint of the Mantis and stays true to our design principle – everything you need and nothing you don't.
